## DUST CONTROLLER

**TECHNOALPIN®**  
pro air solutions

Length without steering (on carriage)	1715 mm	Height adjustment	electric/manual
Length with steering (on carriage)	2250 mm	Pump	4 kW
Width without wheels (on carriage)	1430 mm	Turbine motor	6,5 kW
Width with wheels (on carriage)	1820 mm	Voltage	400/440 V
Height without wheels (on carriage)	2280 mm	Frequency	50/60 Hz
Height with wheels (on carriage)	2450 mm	Power plug	32 A x 5
		Water connection	Kamlock / Storz "C"
Length (on fixed underframe)	1200 mm	Minimum input water pressure	3 bar
Width (on fixed underframe)	1000 mm	Pump monitoring	Pressure transducer
Height (on fixed underframe)	2300 mm	Water filter	250 µm
		No. of nozzles	12 + 18
Weight on carriage without/with front wheel	470/540 kg	Water consumption	15 - 100 l/min
Weight on underframe	420 kg	Halogen lamp	150 W
Machine only weight	350 kg	Remote control	radio, 100 m

2011 - Technical specifications subject to change

Rotation angle max.

360°

Tilting angle

0° - 52°
